In *Intimate Allies*, counselor Dan Allender and theologian Tremper Longman III merge their minds and skills to strip away cultural expectations and takes a fresh look at God's design for the marriage relationship. The authors focus on five foundations taken from Genesis 1-3 and include an extensive review of other biblical passages on marriage. Each section begins with a real-life story concerning an unresolved marriage issue and concludes with the same story built on the “foundation” of a godly marriage. With eloquence and wisdom, *Intimate Allies* will challenge readers to move their marriages out of the mundane and into the fulfilling and enriching experiences God intended.
