50 Strategies for Teaching English Language Learners includes a rich assortment of practical strategies aligned to TESOL standards, which have been field-tested in diverse classrooms. Each strategy includes a brief explanation, step-by-step instructions on how to plan and use the strategy, and classroom scenarios demonstrating how the strategy can be adapted for different grade levels and content areas. The authors have included additional strategies in language and literacy development, technology, and assessment to support both pre-service and in-service teachers. The Fifth Edition represents a major change in standards-based education that helps educators meet the additional challenges of the Common Core State Standards in the process of acquiring English. Included are six new strategies, self-evaluation rubrics, adaptation charts, classroom examples demonstrating approaches to CCSS, video links, pop-ups encouraging further reading, and a glossary of terms encountered in the text. The Enhanced Pearson eText features embedded video.
