Britain and World War One

Alan G. V. Simmonds

Britain and World War One Alan G. V. Simmonds

The First World War appears as a fault line in Britain's twentieth-century history. Between August 1914 and November 1918 the titanic struggle against Imperial Germany and her allies consumed more people, more money and more resources than any other conflict that Britain had hitherto experienced. For the first time, it opened up a Home Front that stretched into all parts of the British polity, society and culture, touching the lives of every citizen regardless of age, gender and class: vegetables were even grown in the gardens of Buckingham Palace.

Britain and World War One throws attention on these civilians who fought the war on the Home Front. Harnessing recent scholarship, and drawing on original documents, oral testimony and historical texts, this book casts a fresh look over different aspects of British society during the four long years of war. It revisits the early war enthusiasm and the making of Kitchener's new armies; the emotive debates over conscription; the relationships between politics, government and popular opinion; women working in wartime industries; the popular experience of war and the question of social change.

This book also explores areas of wartime Britain overlooked by recent histories, including the impact of the war on rural society; the mobilization of industry and the importance of technology; responses to air raids and food and housing shortages; and the challenges to traditional social and sexual mores and wartime culture. *Britain and World War One* is essential reading for all students and interested lay readers of the First World War.

From reader reviews:

David Hester:

Book is actually written, printed, or highlighted for everything. You can know everything you want by a guide. Book has a different type. As it is known to us that book is important issue to bring us around the world. Alongside that you can your reading skill was fluently. A reserve Britain and World War One will make you to always be smarter. You can feel much more confidence if you can know about almost everything. But some of you think that open or reading a new book make you bored. It's not make you fun. Why they might be thought like that? Have you searching for best book or acceptable book with you?

Daniel Campbell:

In this 21st one hundred year, people become competitive in each and every way. By being competitive right now, people have do something to make all of them survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated the item for a while is reading. That's why, by reading a book your ability to survive increase then having chance to remain than other is high. For you who want to start reading any book, we give you that Britain and World War One book as basic and daily reading e-book. Why, because this book is usually more than just a book.

Grady Comer:

This Britain and World War One is great guide for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This book reveal it facts accurately using great organize word or we can point out no rambling sentences in it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with beautiful delivering sentences. Having Britain and World War One in your hand like having the world in your arm, info in it is not ridiculous one particular. We can say that no book that offer you world within ten or fifteen minute right but this e-book already do that. So , this is good reading book. Hey Mr. and Mrs. occupied do you still doubt that will?

Thomas Williamson:

You are able to spend your free time to learn this book this guide. This Britain and World War One is simple bringing you can read it in the playground, in the beach, train along with soon. If you did not get much space to bring the particular printed book, you can buy the actual e-book. It is make you much easier to read it. You can save often the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.
