Culturas de Espana (World Languages)

Carmen Pereira-Muro

Culturas de Espana (World Languages) Carmen Pereira-Muro

Developed for Spanish students at the fifth-semester level or higher, this reader can be used as the main text in a civilization, culture, or reading course. A departure from traditional texts, which present Spanish civilization as a neutral recounting of historical facts, events and data, Culturas de Espana develops the notion that history, culture, and civilization are concepts under constant construction.
