WATCH OUT!

This book is different than every book you've ever read.

Don't believe me?

Have you ever read a book that's about you? *This book is!*

YOU get to choose what happens next - and even how the story will end.

You live with your tribe in a pueblo village. There has been no rain for a long time, and the crops are dying. If rain does not come soon, there will be no food to eat next winter. You have heard stories about spirits called kachinas that help people. Kachinas are so powerful they might even be able to change the weather. You must go find the kachinas, and save your village. Should you go alone, or bring friends to help you? The journey will be hard, and you must be brave.

Do you bring your grandfather with you?

Will you stop to help a wounded bear?

Should you ask the Wise One what is in the bundle he carries?

YOU choose what happens next! Good luck...
