O Heroi Hoje: Uma Visao Historica e Politica (Portuguese Edition) Alexandra Martins

Do texto da contracapa: "Alexandra Martins questiona se precisamos realmente de heróis, abordando esta temática com recurso às Ciências Sociais. Ao mesmo tempo que define o conceito de Herói, a autora enriquece o seu estudo através de uma análise detalhada de casos específicos como o Tarzan, o Conan e o Luke Skywalker. Os estudantes interessados numa perspectiva académica sobre o conceito de Herói, ou até mesmo os curiosos e fãs de histórias e lendas sobre heróis e vilões, vão encontrar neste livro uma leitura rica, interessante, e até mesmo divertida, que irá deixá-los entusiasmados com o tema. Afinal de contas, precisamos ou não de heróis? Para a autora, "o herói, o nosso herói, o nosso modelo de herói, modifica-nos, marca-nos, faz-nos ansiar por algo mais e leva-nos (quase) sempre a acreditar que um futuro melhor é possível, que os dragões serão derrotados e que o paraíso está ao alcance da nossa mão. Basta acreditarmos."
