Positive Child Guidance

Darla Ferris Miller

Positive Child Guidance Darla Ferris Miller

This title assists users in developing effective strategies for dealing with the behaviour of young children. It provides tools for supporting the long-term development of responsibility, self-confidence and self-control in children. Beginning with the premise that children should become cooperative members of a democratic society, the book outlines the theory, as well as the practical guidance strategies, needed to achieve this goal. "Positive Child Guidance" embraces a philosophy of deep respect for the unique qualities of individual children, while also providing users with detailed, real-world strategies for dealing with the myriad of behaviours that children exhibit. Anyone who works with children should find this book immediately useful.
