Remodelista: The Ultimate Shopping Directory: (A Remodelista Short) Julie Carlson

***Remodelista: The Ultimate Shopping Directory* is an in-depth listing of recommended home design resources and stores, excerpted from *Remodelista*.**

Remodelista.com is the go-to, undisputed authority for home design enthusiasts, remodelers, architects, and designers. Unlike sites that cater to all tastes, Remodelista has a singular and clearly defined aesthetic: classic pieces trump designs that are trendy and transient, and well-edited spaces take precedence over cluttered environments. High and low mix seamlessly here, and getting the look need not be expensive (think Design Within Reach meets Ikea). *Remodelista* decodes the secrets to achieving this aesthetic, with in-depth tours and lessons from 12 enviable homes; a recipe-like breakdown of the hardest-working kitchens and baths; dozens of do-it-yourself projects; “The Remodelista 100,” a guide to the best everyday household objects; and an in-depth look at the ins and outs of the remodeling process. In a world of design confusion, *Remodelista* takes the guesswork out of the process.
