Long one of the most popular composition readers on the market, *The Bedford Reader* provides compelling readings by excellent writers. It takes a practical and flexible approach to the rhetorical methods, focusing on their uses in varied writing situations. The popular "Writers on Writing" feature illustrates the many ways writers create meaning from what they read and experience, and the Kennedys' instruction helps students connect critical reading to academic writing. The twelfth edition provides even more helpful guidance for students on critical reading and writing, a new appendix with advice on APA documentation, and an updated selection of compelling readings. The print text is now integrated with e-Pages for *The Bedford Reader*, designed to take advantage of what the Web can do, with provocative new essays and multimodal selections.
