The Best Wines in the Supermarkets 2015 Ned Halley

This is Britain's Best Selling annual wine buying guide. The supermarkets are winning Gold Medals in International Wine Tasting Competitions under their own labels. Ned Halley tastes their wines for Vintage, Quality and Character. Uniquely he then adjusts for the cost of the wine before awarding his final number rating. This puts more emphasis on the wine to prove itself on the pallet, rather than on its label or reputation. The same drinking qualities can be found in wines that are often several £££'s apart in cost. This book also has a new web site and a private Cellar in which to add or remove wines through the year. We hope also to send alerts to readers, announcing supermarket wine promotions as they break.
