Tell your story and connect with the college of your dreams for admission and financial aid

"If everyone wrote essays like this, admissions officers would have to take every student's essay seriously."

--**Steve LeMenager**, founder of Edvise Princeton and former director of admission at Princeton University

"With patience, contagious confidence, and plenty of real-life examples, Carol illuminates a process that can help anyone discover and articulate those stories that will help them stand out in their own way, and in their own words."
