## **An Unfinished Woman: A Memoir (Back Bay Books)** Lillian Hellman

Caustic, brilliant, uncompromising, accomplished, Lillian Hellman, one writer noted, can "take the tops off bottles with her teeth". Her career as a playwright began in 1938 with *The Children's Hour*, the first of seven plays that would bring her international attention and praise. Thirty years later, Hellman unleashed her peerless wit and candor on the subject she knew best: herself. *An Unfinished Woman* is a rich, surprising, emotionally charged portrait of a bygone world -- and of an independent-minded woman coming into her own. Wendy Wasserstein's introduction to this new edition provides a fascinating literary and historical context for reexamining Lillian Hellman's life and achievement.
