Columbus and Other Cannibals: The Wetiko Disease of Exploitation, Imperialism, and Terrorism

Jack D. Forbes

Celebrated American Indian thinker Jack D. Forbes's *Columbus and Other Cannibals* was one of the founding texts of the anticivilization movement when it was first published in 1978. His history of terrorism, genocide, and ecocide told from a Native American point of view has inspired America's most influential activists for decades. Frighteningly, his radical critique of the modern "civilized" lifestyle is more relevant now than ever before.

Identifying the Western compulsion to consume the earth as a sickness, Forbes writes:

"Brutality knows no boundaries. Greed knows no limits. Perversion knows no borders. . . . These characteristics all push towards an extreme, always moving forward once the initial infection sets in. . . . This is the disease of the consuming of other creatures' lives and possessions. I call it cannibalism."

This updated edition includes a new chapter by the author.

From reader reviews:

Craig Harrison:

Book is to be different for each and every grade. Book for children till adult are different content. As you may know that book is very important for all of us. The book Columbus and Other Cannibals: The Wetiko Disease of Exploitation, Imperialism, and Terrorism had been making you to know about other know-how and of course you can take more information. It is extremely advantages for you. The guide Columbus and Other Cannibals: The Wetiko Disease of Exploitation, Imperialism, and Terrorism is not only giving you considerably more new information but also for being your friend when you truly feel bored. You can spend your own personal spend time to read your publication. Try to make relationship using the book Columbus and Other Cannibals: The Wetiko Disease of Exploitation, Imperialism, and Terrorism. You never truly feel lose out for everything in case you read some books.

William Oden:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The info you get based on what kind of book you read, if you want have more knowledge just go with education books but if you want feel happy read one along with theme for entertaining like comic or novel. Typically the Columbus and Other Cannibals: The Wetiko Disease of Exploitation, Imperialism, and Terrorism is kind of reserve which is giving the reader unstable experience.

Katie Duffy:

The reason why? Because this Columbus and Other Cannibals: The Wetiko Disease of Exploitation, Imperialism, and Terrorism is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will shock you with the secret the idea inside. Reading this book beside it was fantastic author who all write the book in such amazing way makes the content interior easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your ability and your critical thinking approach. So , still want to hesitate having that book? If I were being you I will go to the reserve store hurriedly.

John Damm:

A lot of e-book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the top book for you, science, comic, novel, or whatever through searching from it. It is named of book Columbus and Other Cannibals: The Wetiko Disease of Exploitation, Imperialism, and Terrorism. You can contribute your knowledge by it. Without causing the printed book, it could add your knowledge and make you actually happier to read. It is most critical that, you must aware about publication.

It can bring you from one destination to other place.
