What if the hottest guy in the world was hiding a nameless evil, and all he wanted was you?

At the start of this heart-pounding new installment of the bestselling House of Night series, Zoey and her gang must discover a way to deal with an unexpected danger that might bring them all down. Neferet guards her powerful new consort, Kalona, who looks gorgeous and has the House of Night under his spell. A past life holds the key to breaking his rapidly spreading power, but what if it shows Zoey truths she can't face? Meanwhile, the red fledglings have cleaned up well, but are they really as friendly as they seem? On the boyfriend front, Zoey has a chance to fix things with super-hot ex-, Erik, but she can't stop thinking about Stark, the archer who died in her arms, and she is driven to save him from Neferet's sinister influence. Will anyone believe the power evil has to hide among us?
