My Perfect Life

Dyan Sheldon

My Perfect Life Dyan Sheldon

Dyan Sheldon brings back the winning cast of characters from CONFESSIONS OF A TEENAGE DRAMA QUEEN in a new tale of suburban high school woe - told through the eyes of an endearingly unassuming heroine.

With perfect parents, perfect friends, and perfect poise, it seems like Ella Gerard has it all. But when Ella's new best friend (and resident drama queen), Lola Cep, nominates Ella to run for school president against her ex-best friend, the wickedly popular Carla Santini, many of the less-than-perfect aspects of Ella's life — and of her family's — begin to make themselves more than obvious. When the election votes are tallied, can Ella come out a winner without losing face? In this witty, poignant sequel to CONFESSIONS OF A TEENAGE DRAMA QUEEN, Dyan Sheldon brings back her winning cast of characters to tell another tale of suburban high school woe, this time through Ella's eyes.

Isabel McNeal:

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book was rare? Why so many concern for the book? But almost any people feel that they enjoy for reading. Some people likes reading through, not only science book but in addition novel and My Perfect Life as well as others sources were given expertise for you. After you know how the great a book, you feel need to read more and more. Science publication was created for teacher or students especially. Those publications are helping them to increase their knowledge. In some other case, beside science e-book, any other book likes My Perfect Life to make your spare time much more colorful. Many types of book like this one.

Wanda Holmes:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this My Perfect Life can make you sense more interested to read.
