Clear and concise, REAL ESTATE LAW, 8th Edition combines practical legal examples with theory and case law to illustrate the concepts for readers. Rather than a state-specific format, the text covers real estate law generally, with discussions, short case summaries, longer teaching cases, exhibits, and practical applications that help readers spot the issues and apply legal principles to realistic situations. Chapters build on each other to give a comprehensive picture of real estate law, while integrating important ethical and public policy issues.
