The Host and The Parasite: How Israel's Fifth Column Consumed America Greg Felton

The U.S. republic founded in 1776 bears no resemblance to the anti-democratic police state that has declared war on its citizens, and provokes needless wars in the Middle East at the behest of Israel. At the center of it all is the parasitic control of the Israel Lobby on the U.S. government. The Host and The Parasite shows how the Lobby, evangelical Christians and neo-cons rode to power in the 1980s and proceeded to turn the United States into Israel's willing executioner.
