The Binkerton trio want to see the next Olympic Games, but instead end up visiting the Games in Ancient Greece. This is the fourth volume in a series of adventure stories in which the Binkerton children grapple with a different period in history. This comic strip story also features information about the period - thanks to the Good Times Travel Agency guidebook, which accompanies the children on their adventure. The guide book provides a running commentary on the time in history, with coverage of the social system, everyday way of life, boats, buildings, clothing and food of the time."
