Brian's Return Gary Paulsen

As millions of readers of Hatchet, The River, and Brian's Winter know, Brian Robeson survived alone in the wilderness by finding solutions to extraordinary challenges. But now that's he's back in civilization, he can't find a way to make sense of high school life. He feels disconnected, more isolated than he did alone in the North. The only answer is to return-to "go back in"-for only in the wilderness can Brian discover his true path in life, and where he belongs.
