Jess Vandermire, Vampire Hunter. . .

Tough vampire cop, Jess Vandermire, fights against her unholy brethren in New York City to protect the two men she loves more than life itself. But Jess is waging a personal war, too-to save the tiny shred of soul she has left. If she loses, so does the city . . .

Captain Jess Vandermire is facing the hardest decision of her life-become human again and regain her soul, or remain a vampire forever and fight an ancient evil that is a threat to every human on the planet. Ensnared in a plan that might go terribly wrong, she has little choice. As a human, she can't fight the ancient enemy.

Then a mysterious stranger shows up and offers to help. She discovers her entire existence has been leading up to the challenge ahead-a challenge that has insurmountable odds.

And if she doesn't win, every human on the planet will pay the price . . .
