In Cold Blood

Truman Capote

In Cold Blood Truman Capote

National Bestseller

On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues.

As Truman Capote reconstructs the murder and the investigation that led to the capture, trial, and execution of the killers, he generates both mesmerizing suspense and astonishing empathy. **In Cold Blood** is a work that transcends its moment, yielding poignant insights into the nature of American violence.
