As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country.
