The Second Coming of Christ: Updated for the Modern Reader Clarence Larkin

Clarence Larkin's Classic Book on Dispensationalism UPDATED FOR THE MODERN READER Having been solicited on numerous occasions by friends who love the "BLESSED HOPE" to prepare a small book on the SECOND COMING OF CHRIST illustrated with a few simple charts for the information of those who may desire to know about the Lord's Return, the Author has prepared this book and sends it forth on its mission praying that God will richly bless its testimony. IMPORTANT NOTE ON UPDATES TO THE ORIGINAL VERSION Words that were found to be obscure and/or archaic were replaced with their modern equivalents. The Scripture text has been completely replaced with the New King James Version™. We went to great lengths to make sure WE DID NOT change any of the meaning of the original writing.
