"You bring out something inside of me, Sabrina. You bring out a wildness in me that I can't control."

It was just another assignment for Sabrina Foster. Another trip to a small, quiet town to investigate paranormal phenomenon for Sightings Magazine. Then she met Jackson Cantrel - a strange, complicated, and impossibly sexy man with dark secrets hidden behind his piercing green eyes. Now she's chasing two stories: the stories of the shapeshifters that live in the dense forests of Sweet Valley, and the story of the magnetic and overpowering love that's growing between her and Jackson.

This sexy paranormal romance novella is book one in the Sweet Valley Secrets series. It contains no cliffhangers.
