The Princeton Review realizes that acing the AP Psychology Exam is very different from getting straight A's in school. We don't try to teach you everything there is to know about psychology—only what you'll need to score higher on the exam. There's a big difference. In *Cracking the AP Psychology Exam*, we'll teach you how to think like the test makers and

- Score higher by reviewing key psychology concepts
- Safeguard yourself against traps that can lower your score
- Chart out your essay to earn the maximum point total in the allotted time
- Perfect your skills with review questions in each chapter

This book includes 2 full-length practice AP Psychology exams. All of our practice test questions are like the ones you'll see on the actual exam, and we fully explain every answer.
