Dictionary of Saints Brian Daniel Starr

Saints that are found in the past, reachable in some sort of relationship, either as an ancestor, a descendent of an ancestor, or even an ancestor of a descendent of an ancestor. To reach some Saints it is suggested to get a monastery for help in veneration, however a simple post of Saint Andrew, who was named Medes (an Aramatic word that means blood) is a simple way to say this Saint can be found in bloodlines.

The Saints are arranged in alphabetical order, and a list of descendents, or ancestors, or other branches of the saints family tree are found in each entry. For each Saint there family is listed, such as Mother, Father, Siblings, Children etc....

Also a brief biography taken from common knowledge is listed, as an explanation of why the person is considered a Saint. In other words what made that person be the one to go to heaven as a Saint. Some Saints converted their country to Christianity, while other Saints died for the faith as Martyrs.

In the book there are over 500 saints, and going to briandstarr.com and downloading the gedcom file found there makes the ancestry file available for the reader.
