How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders Killmo

How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders is a very detailed strategy guide for anybody who wants to improve his skill level in Starcraft II: Wings of Liberty.

How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders has everything you need to know to perfect the art of playing 1v1's effectively. While other books waste your time by talking about strategy in 3v3's and 4v4's where there is no strategy except deciding whether to rush or cheese, How Not To Suck At Starcraft 2 focuses only on 1v1's, because they are by far the most dynamic.

How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders guides you on everything from how to position your buildings to helping you decide whether macro or micro is more important. Rather than breaking things down into all three races, this book takes you even further by describing what to do in all nine of the match-ups.

The author, Killmo, is ranked higher than 99.6% of Starcraft 2 players.

Chapters Include:

- Focusing on Improvement
- Staging a Comeback
- Macro, Micro
- Positioning
- How to Hold Onto a Lead
- Zerg Strategy
- Terran Strategy
- Protoss Strategy
- Tips and Tricks

This book is fantastic for anyone, whether you have been playing for a week in bronze league, progressing nicely through gold league, or have plateaued in skill in masters league, it will help you improve fast. The detailed analysis in How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders will pinpoint exactly what you need to focus on.

Regardless of what race(s) you play, what style of play you subscribe to, or how much time you have to play, *How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders* will help you reach any league you wish, in far less time and stress than it would take otherwise.

Find Out Precisely How to Terrorize Your Opponents

How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders is a detailed Starcraft 2 strategy guide designed for players of all races and levels. It teaches you all the important mechanical information that will always be relevant, regardless where the meta-game goes. No matter how far it leans in favor of macro or in cheese, or how 'imbalanced' a matchup is considered, the right hotkeys and building placement will always be something that you can use to your advantage.

The Two Sides: Mechanics and Mindset

This Starcraft 2 strategy guide will help you to focus your efforts instead in order improve as a player faster and further than you ever could by playing the way most people do, which is just blindly playing each game to win it. You will learn how using your head instead of muscle memory will improve your Starcraft 2 mechanics much faster. Having the right mindset will help you almost immediately.

The Secret to Success Is in the Details

How Not to Suck at Starcraft 2 - Starcraft 2 Guide: Zerg, Terran and Protoss Strategies and Build Orders provides build orders and game plans for all nine of the match-ups. The biggest obstacle that prevents you from winning games and improving is not knowing what your next step should be in a game. It is this obstacle that prevents you from being a higher APM player.

Some people think that APM is a terrible measure of skill for a Starcraft 2 player. They are right to an extent, but we all know there is a reason that 99% of the Starcraft 2 pros play at insanely high APM. It is by following the strict repetitive actions discussed every game that you will eventually become faster.

Performing repetitive actions may sound boring, but this will pale in comparison to the amount of fun you will have tearing your opponents apart one metaphorical limb at a time.
