Israel's Poetry of Resistance

Hugh R. Page Jr.

Israel's Poetry of Resistance Hugh R. Page Jr.

Noting that Israel's earliest responses to earth-shaking changes were cast in the powerfully expressive language of poetry, Hugh R. Page Jr. argues that the careful collection and preservation of these traditions was an act of resistance, a communal no to the forces of despair and a yes to the creative power of the Spirit. Further, Page argues, the power of these poems to craft and shape a future for a people who had suffered acute displacement and marginalization offers a rich spiritual repertoire for Africana peoples today, and for all who find themselves perennially outside the social or political mainstream.
