Le Federalisme / Federalism: Une Introduction / an Introduction (French Edition)

George Anderson

Le Federalisme / Federalism: Une Introduction / an Introduction (French Edition) George Anderson

Les fédérations abritent quarante pour cent de la population mondiale. Les 28 pays dotés d'un régime politique fédéral se révèlent des plus diversifiés : de la nation la plus nantie du monde - les États-Unis d'Amérique- à de minuscules États insulaires comme la Micronésie et Saint-Kitts-et-Nevis. Six des dix pays les plus peuplés et huit des dix pays les plus vastes de la planète sont des fédérations. Ce livre d'une remarquable concision présente les notions élémentaires de ce système politique dans une langue claire et dépourvue de jargon - sans doute pourquoi il a été traduit en près de 20 langues. Il s'agit d'un ouvrage incontournable non seulement pour ceux qui étudient les gouvernements et oeuvrent dans le secteur public, mais aussi pour tout citoyen des fédérations du monde .
