Angie, I don't know about this... I-I'm having second thoughts...

After their three way that quickly left *one* of them on the sidelines, Angela and Eric have been experimenting with a thrilling new lifestyle. But after breaking "just a few" innocent rules, Angela finds herself increasingly confident with her new **sexual freedom**. And sometimes, even an **angst ridden** Eric can't stop her from *taking what she wants...*

And when a redneck comes over to fix the sink, Angela has only **one thing** on her mind. And a simple rule is **not** going to stop her!

WARNING!

This short story is meant for audiences eighteen (18) years of age or older! Contains possibly offensive material including: a submissive and reluctant cuckold, a sexually liberated wife who *just doesn't care*, a virile southern stud, heart pounding angst, SPH, and more...
