Before there was *Game of Thrones*, there was *Beowulf*...

SONG OF BATTLE AND KINGS

Beowulf is one of the earliest extant poems in a modern European language, composed in England before the Norman Conquest. As a social document this great epic poem is invaluable—reflecting a feudal world of heroes and monsters, blood and victory, life and death. As a work of art, it is unique. *Beowulf* rings with beauty, power, and artistry that have kept it alive for a thousand years. The noble simplicity of *Beowulf*'s anonymous Anglo-Saxon singer is recaptured in this vivid translation by Burton Raffel.

Translated and with an Introduction by Burton Raffel

and with an Afterword by Roberta Frank
