Creole: The History and Legacy of Louisiana's Free People of Color

Creole: The History and Legacy of Louisiana's Free People of Color

The word Creole evokes a richness rivaled only by the term's widespread misunderstanding. Now both aspects of this unique people and culture are given thorough, illuminating scrutiny in *Creole*, a comprehensive, multidisciplinary history of Louisiana's Creole population. Written by scholars, many of Creole descent, the volume wrangles with the stuff of legend and conjecture while fostering an appreciation for the Creole contribution to the American mosaic.

The collection opens with a historically relevant perspective found in Alice Moore Dunbar-Nelson's 1916 piece "People of Color of Louisiana" and continues with contemporary writings: Joan M. Martin on the history of quadroon balls; Michel Fabre and Creole expatriates in France; Barbara Rosendale Duggal with a debiased view of Marie Laveau; Fehintola Mosadomi and the downtrodden roots of Creole grammar; Anthony G. Barthelemy on skin color and racism as an American legacy; Caroline Senter on Reconstruction poets of political vision; and much more. Violet Harrington Bryan, Lester Sullivan, Jennifer DeVere Brody, Sybil Kein, Mary Gehman, Arthi A. Anthony, and Mary L. Morton offer excellent commentary on topics that range from the lifestyles of free women of color in the nineteenth century to the Afro-Caribbean links to Creole cooking.

By exploring the vibrant yet marginalized culture of the Creole people across time, *Creole* goes far in diminishing past and present stereotypes of this exuberant segment of our society. A study that necessarily embraces issues of gender, race and color, class, and nationalism, it speaks to the tensions of an increasingly ethnically mixed mainstream America.

Judith Duncan:

Your reading sixth sense will not betray an individual, why because this Creole: The History and Legacy of Louisiana's Free People of Color publication written by well-known writer whose to say well how to make book that may be understand by anyone who read the book. Written in good manner for you, still dripping wet every ideas and publishing skill only for eliminate your current hunger then you still doubt Creole: The History and Legacy of Louisiana's Free People of Color as good book but not only by the cover but also through the content. This is one publication that can break don't ascertain book by its include, so do you still needing one more sixth sense to pick this particular!? Oh come on your examining sixth sense already told you so why you have to listening to one more sixth sense.

Carol Stripling:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Creole: The History and Legacy of Louisiana's Free People of Color can make you really feel more interested to read.
