Our Social World: Condensed Version Jeanne H. Ballantine, Keith A. Roberts

This brief text is adapted from the popular ***Our Social World, Fourth Edition***, by Jeanne Ballantine and Keith Roberts. These two leaders of the Teaching Sociology movement encourage students to develop their sociological imaginations through role-taking. Assuming the role of a child living in poverty in India or of a member of an African tribe, students learn to re-envision their global society. An innovative, integrated framework provides core sociological concepts, while features such as Contributing to Our Social World enable students to “do” public sociology. The new third edition of **Our Social World: Condensed Version** broadens students’ perspectives by exposing them to the larger, global world.
