## **The Tao of Pooh (Chinese Edition)** Benjamin Hoff

Written by Benjamin Hoff, The Tao of Pooh has been reprinted four times and it is taken as a selective textbook in many higher institutions in America. Its also regarded by Chinese philosophers as a classical popular book introducing Taoism. Through dialogues among the author, Winnie the Pooh and the Piglet, the book illustrates the Taoist concept of ""effortless doing"". The author argues that Taoist tenets coincide with the personalities of Pooh. From Winnie the Pooh, you will find that simple, childish, innocent and imaginative nature in our personalities are the essence of our joy. What we should do is to just let things go spontaneously as they just are.
