Tooth and Claw: and Other Stories T.C. Boyle

Since *Descent of Man* appeared in 1979, T. C. Boyle has transformed the nature of short fiction in our time; in a review of his most recent collection, *After the Plague*, *The New York Times* hailed him as "a writer who can take you anywhere." Which is exactly what Boyle does in *Tooth and Claw*.

These fourteen stories, which have appeared in *The New Yorker*, *GQ*, *Harper's*, *McSweeney's*, and *Playboy*, display Boyle's imaginative muscle, emotional sensitivity, and astonishing range. Here you will find the whimsical tales for which Boyle is famous, including "The Kind Assassin," about a radio shock jock who sets the world record for most continuous hours without sleep. Readers will love the comedic drama of the title story, about a man who must contend with a vicious cat from Africa that he has won in a bet. And who could resist the gripping power of "Dogology," about a woman who becomes so obsessed with man's best friend that she begins to lose her own identity to a pack of strays. Boyle here proves once again that he is "a writer who can take any topic and spin a yarn too good to put down" (*Men's Journal*).
