5 Acres & A Dream The Book: The Challenges of Establishing a Self-Sufficient Homestead Leigh Tate
What does it take to become a successful homesteader?

Based on her popular homesteading blog, *5 Acres & A Dream*, Leigh Tate shares how she and her husband Dan are facing the challenges of trying to establish a self-sufficient homestead; from defining their dream, finding property, and setting priorities, to obstacles and difficult times, to learning how to work smarter, not harder. She shares what they've learned about energy self-sufficiency, water self-sufficiency, and food self-sufficiency for themselves and their goats and chickens too. Included are copies of their homestead master plan plus revisions, homegrown vitamins and minerals for goats, and several of Leigh's favorite homestead recipes.
