Sir Rowland Hill, George Birkbeck Hill

The Life of Sir Rowland Hill and the History of Penny Postage, Vol. II Sir Rowland Hill, George Birkbeck Hill

Postal reformer Sir Rowland Hill (1795-1879) analyzed the British postal system from the vantage point of an enlightened outsider and published four editions of his epic Post Office Reform: Its Importance and Practicability (1837). Hill's pamphlet set in motion the reformation of the unwieldy, expensive United Kingdom postal service, resulting in the adoption of the The Penny Post in 1840. All mail weighing up to ½ ounce could travel anywhere in the UK for only a penny.
