Blue Moon: A Novel Luanne Rice

“Some said Mount Hope was founded on love, and some said it was founded on war. . . . The Keatings said Mount Hope was founded on fish, plain and simple.”

So begins *New York Times* bestselling author Luanne Rice’s mesmerizing novel *Blue Moon*. For generations the Keating family has trawled the waters and served the catch at Lobsterville, the most popular waterfront restaurant in town. But now the forces of nature, human and otherwise, threaten to disrupt their lives—and the three Keating sisters are fighting to keep it together.

Then the unthinkable happens—the tragedy dreaded by every fisherman and fisherman’s wife. And when it strikes, it threatens the entire Keating clan with a crisis that will test—and perhaps renew—their deepest passions and loyalties.
