Ebola: The Ultimate Ebola Survival Guide to Preparing and Surviving the Ebola Outbreak (Ebola books, Ebola Virus, Ebola Survival Guide) Jerry Cline

The Ebola virus has been spreading across West Africa and now across other countries killing thousands of people. How can you combat this virus and ensure that you and your loved ones avoid the same fate so many others have faced? The Ebola virus will only continue to get worse as long as we remain uneducated and unprepared for what it can and will bring.

Once we take the steps necessary to prepare ourselves for the Ebola outbreak, we have nothing to fear. We may have little control over the spread of the Ebola virus to various parts of the world as a whole, but we do have control over whether the Ebola virus is going to affect our own lives and the lives of those we love. By taking the necessary steps to prepare ourselves and educate ourselves about the Ebola virus we can and we will prevent the virus from controlling our lives.

In this book we will discuss the following:

- General Guidelines for Avoiding the Spread of the Ebola Virus
- How to Prepare Your Household for a Pandemic like the Ebola Virus
- 10 Ways to Avoid Contracting the Ebola Virus
- How to Fortify Your Immune System Against the Ebola Virus
- What Medical Supplies You Need to Buy to Be Safe Against An Ebola Outbreak
