South Sea Tales (Oxford World's Classics)

Robert Louis Stevenson

South Sea Tales (Oxford World's Classics) Robert Louis Stevenson

In *South Sea Tales* Stevenson shows himself to be a virtuoso of narrative styles. But beyond their generic diversity the stories are linked by their concern with representing the multiracial society of which their author had become a member. In this collection--the first to bring together all his shorter Pacific fiction in one volume--Stevenson emerges as a witness both to the cross-cultural encounters of nineteenth-century imperialism and to the creation of the global culture which characterizes the post-colonial world.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
