Surrounded by Strangers Josi S. Kilpack

Gloria Stanton and her children have disappeared! To protect her children, Gloria left everything behind-her home, her family and her friends. She started a whole new life with a new name, a new background-and a new understanding of the importance of the gospel of Jesus Christ. Through it all she had absolute faith that her greatest responsibility was her children.

Now Gloria keeps a low profile by working as a night waitress. Among all the realities of her new life are two rules she must not break-she can't afford to contact anyone from her former life, and she can't involve herself in anything that will reveal her true identity. But time is running out. Can she keep her children safe and keep her faith alive? Can she resist falling in love with a man who has risked so much to help her? Or will she fail, despite sacrificing nearly everything?
