At last, a practical, positive approach to finding the perfect job – ideal for any student or graduate.

In *The Graduate Career Guidebook*, Steve Rook explains how to find your dream role, regardless of whether you have a career in mind or no idea what you want to do after university.

His inspiring approach divides the career journey into manageable steps and helps you navigate each stage, from deciding what you want, to gaining work experience, networking effectively, conducting a job hunt, writing a knock out CV, impressing at interview and getting the job.

The text will guide you through the career planning process so you can find a successful and fulfilling future. It includes:

- Guidance-based exercises to help you reflect on your personal strengths and find opportunities that are a great match
- Useful and inspirational case studies from students, graduates and employers
- Sections on entrepreneurship and starting your own business

Like your own personal career coach, Steve will motivate you to think broadly and creatively about your opportunities and his expert advice will help you make your dream a reality.
