Translating God serves as an inspirational guide book that puts God's great love back into prophetic ministry as a primary goal full of real life stories that articulate the culture of love behind God's heart for the prophetic.

So much of the prophetic ministry is esoteric and a free for all in which people throw down the God card on anything they "feel," but this book brings balance without taking away the desire to see the powerful nature of God displayed. On top of that, it's biblically based and is supported by scripture throughout each story, driving home the book's message of activating the ability to hear God's voice for each reader.

Through a thought-provoking prophetic ministry philosophy and Shawn's glorious successes and very real failures, you will be inspired and equipped to:

- learn how to hear God for yourself and others,
- grow through simple focused steps,
- take great risks,
- stay accountable,
- love people well,
- grow in intimacy with the Lord.

As an internationally known prophetic voice who has ministered to thousands—from political leaders to those on the streets—Shawn shares everything he has learned about the prophetic in a way that is totally unique and refreshing. Shawn aims for the higher goal of loving people relationally, not just pursuing the gift or information, and he activates you to do the same.

Start to reshape the world around you with God's love today.
