John Grisham CD Audiobook Bundle #1: The Firm; The King of Torts; The Last Juror; The Broker; The Appeal John Grisham

This audiobook bundle includes five legal thrillers from *New York Times* best-selling author John Grisham. Collection includes: *The Firm*, *The King of Torts*, *The Last Juror*, *The Broker*, and *The Appeal*.

The Firm (3 CDs, Abridged):

At the top of his class at Harvard Law, he had his choice of the best in America. He made a deadly mistake. When Mitch McDeere signed on with Bendini, Lambert & Locke of Memphis, he thought he and his beautiful wife, Abby, were on their way. The firm leased him a BMW, paid off his school loans, arranged a mortgage and hired him a decorator. Mitch McDeere should have remembered what his brother Ray -- doing fifteen years in a Tennessee jail -- already knew. You never get nothing for nothing. Now the FBI has the lowdown on Mitch's firm and needs his help. Mitch is caught between a rock and a hard place, with no choice -- if he wants to live.

The King of Torts (5 CDs, Abridged):

The office of the public defender is not known as a training ground for bright young litigators. Clay Carter has been there too long and, like most of his colleagues, dreams of a better job in a real firm. When he reluctantly takes the case of a young man charged with a random street killing, he assumes it is just another of the many senseless murders that hit D.C. every week.

As he digs into the background of his client, Clay stumbles on a conspiracy too horrible to believe. He suddenly finds himself in the middle of a complex case against one of the largest pharmaceutical companies in the world, looking at the kind of enormous settlement that would totally change his life—that would make him, almost overnight, the legal profession's newest king of torts...

The Last Juror (5 CDs, Abridged):

In 1970, one of Mississippi's more colorful weekly newspapers, *The Ford County Times*, went bankrupt. To the surprise and dismay of many, ownership was assumed by a 23 year-old college dropout, named Willie Traynor. The future of the paper looked grim until a young mother was brutally raped and murdered by a member of the notorious Padgitt family. Willie Traynor reported all the gruesome details, and his newspaper began to prosper.

The murderer, Danny Padgitt, was tried before a packed courthouse in Clanton, Mississippi. The trial came to a startling and dramatic end when the defendant threatened revenge against the jurors if they convicted him. Nevertheless, they found him guilty, and he was sentenced to life in prison.

But in Mississippi in 1970, "life" didn't necessarily mean "life," and nine years later Danny Padgitt managed to get himself paroled. He returned to Ford County, and the retribution began.

The Broker (5 CDs, Abridged):

In his final hours in the Oval Office, the outgoing President grants a controversial last-minute pardon to Joel Backman, a notorious Washington power broker who has spent the last six years hidden away in a federal

prison. What no one knows is that the President issues the pardon only after receiving enormous pressure from the CIA. It seems Backman, in his power broker heyday, may have obtained secrets that compromise the world's most sophisticated satellite surveillance system.

Backman is quietly smuggled out of the country in a military cargo plane, given a new name, a new identity, and a new home in Italy. Eventually, after he has settled into his new life, the CIA will leak his whereabouts to the Israelis, the Russians, the Chinese, and the Saudis. Then the CIA will do what it does best: sit back and watch. The question is not whether Backman will survive—there is no chance of that. The question the CIA needs answered is, who will kill him?

The Appeal (5 CDs, Abridged):

In a crowded courtroom in Mississippi, a jury returns a shocking verdict against a chemical company accused of dumping toxic waste into a small town's water supply, causing the worst "cancer cluster" in history. The company appeals to the Mississippi Supreme Court, whose nine justices will one day either approve the verdict or reverse it.

Who are the nine? How will they vote? Can one be replaced before the case is ultimately decided?

The chemical company is owned by a Wall Street predator named Carl Trudeau, and Mr. Trudeau is convinced the Court is not friendly enough. With judicial elections looming, he decides to try to purchase himself a seat on the Court. The cost is a few million dollars, a drop in the bucket for a billionaire like Mr. Trudeau. Through an intricate web of conspiracy and deceit, his political operatives recruit a young, unsuspecting candidate. They finance him, manipulate him, market him, and mold him into a potential Supreme Court justice. *Their* Supreme Court justice.
