The Enterprise for the Americas Initiative: Issues and Prospects for a Free Trade Agreement in the Western Hemisphere Roy E Green

This collection of orchestrated analyses develops an issues and process framework for assessing the Enterprise for the Americas Initiative to develop freer trade within the Western Hemisphere. This volume comes at a time of transition in U.S. domestic politics and global trade negotiations. Anticipating the critical choices to be faced by the Clinton administration, as well as other public and private sector leaders here and abroad, the analyses in the volume, written by a team of leading international trade and economic development specialists, will provide the reader with insights into the complex political, economic, social, and, to some extent, technical character of efforts to expand regional and world trade.
