The Map of Time: A Novel (The Map of Time Trilogy) Félix J. Palma

Characters real and imaginary come vividly to life in this whimsical triple play of intertwined plots, in which a skeptical H. G. Wells is called upon to investigate purported incidents of time travel and to save lives and literary classics, including *Dracula* and *The Time Machine*, from being wiped from existence.

What happens if we change history?

Félix J. Palma explores this provocative question, weaving a historical fantasy as imaginative as it is exciting—a story full of love and adventure that transports readers from a haunting setting in Victorian London to a magical reality where centuries collide and a writer's mind seems to pull at all the strings.
